

CJLEADS 2.x Update

Danny Bell
March 29, 2018

CJLEADS 2

Roll Out

- Over 17,000 users have linked their CJLEADS user account (NCID) to MFA and have begun experiencing the new CJLEADS version
- 556 of 593 agencies have begun their transition to the new version
- We have issued just over 3,500 MobileID tokens to ten agencies
- We will sunset the original version by the end of May

CJLEADS 2
