NetMotion Mobility

The screenshot shows the NetMotion Mobility Client Status web interface. The browser window title is "Mobility Client Status - Mozilla Firefox". The navigation menu includes "Server Status", "Client Status", "Server Settings", "Client Settings", "Policy Management", "Licensing", and "About". The "mobilityXE." logo is visible in the top right. A "Refresh" button and a checked "Auto-refresh" checkbox are present. The "Connected Client Devices" section displays statistics: Connections (222), Reachable (95), Unreachable (127), Battery powered (63), and Low battery (10%) (13). It also shows Peak connections (280) and Lifetime connections (280). A search bar and a "Recent search strings" dropdown are available. The "All Clients" section shows Registered devices (490), Disconnected devices (270), New devices (0), Quarantined devices (0), and Quarantined users (0). The footer contains the copyright notice: "© 1999-2007 by NetMotion Wireless, Inc. All rights reserved." The browser status bar shows "Done" and the address "rpd1.ci.raleigh.nc.us:8080".
